Congratulations for Community Rating System Program Success

Dear Mayor Holder:

As a participant in the National Flood Insurance Program (NFIP), the City of Garden City made a decision several years ago to participate in the NFIP's Community Rating System (CRS). As a result of the City's outstanding performance in the CRS, flood insurance policyholders within your jurisdiction are afforded a premium discounts on their policies.

As a token of our appreciation for the City's efforts to reduce loss of lives and property damage caused by flooding, restore environmental functions of floodplains, and hold development to standards that exceed the minimum requirements of the NFIP, we are pleased to present you this plaque acknowledging your successes in the CRS.

All of us at the Federal Emergency Management Agency and, in particular, Region IV, including our partners, the NFIP Coordinators in Georgia and the Insurance Services Office, CRS staff, congratulate you for your accomplishment.

In the years to come, we hope that the City of Garden City will aim even higher and pursue additional avenues to further improve your CRS rating. Please give us a call at (770) 220-5400 if we can be of assistance.

Sincerely,

for Susan W. Wilson, Acting Director
Mitigation Division
