STORM DEBRIS MONITORING & PUBLIC ASSISTANCE RFP QUESTIONS & ANSWERS 10/15/18

ADDENDA #2

RFP for Debris Monitoring & Public Assistance Consulting Services

The following question was submitted in reference to The City of Garden City's *Request for Proposal (RFP) for Debris Monitoring and Public Assistance Consulting Services* dated September 25, 2018:

1. **Question:** *Would the City be willing to "break up" the contract between two agencies? In other words, would the City be willing to have one company provide Debris Monitoring and a different company provide Public Assistance?*

Response: The City is looking for one consultant to oversee both the Debris Monitoring and Public Assistance process. However, if the submittal is an "umbrella" proposal with one consultant being the lead and another company playing a separate role the proposal will still be reviewed and considered.
